Dear Members:

We are seeking to create a roster of attorneys who would be available, on relatively short notice, to prepare and file motions and briefs on cases in which the New Jersey League of Municipalities and New Jersey Institute of Local Government Attorneys seek to intervene as *amicus curiae*. These cases are generally at the Appellate Division or Supreme Court level. This work would be done on a *pro bono* basis, with expenses reimbursed by the League. The cases selected represent a wide range of issues of importance to local governments, especially municipalities. If you would be willing to handle an occasional case or even a single case, it would be appreciated if you would send a letter or email to me, including a resume or other summary of your experience, together with any area(s) about which you would be willing to participate. Some of the topics include:

1. Officers and Employees;
2. Referenda, Elections and Politics;
3. Planning and Zoning;
4. Tort and Civil Rights claims;
5. Municipal Bonding;
6. OPMA/OPRA;
7. Eminent Domain/Municipal Lands and Buildings;
8. Forms of government and municipal authority.

I look forward to hearing from you concerning your interest in these matters.

Very truly yours,

Robert F. Renaud
President, NJILGA
